Approved For Release 2007/09/25 : CIA-RDP80-00810A004800100004-7 SECRET/ .2. Comment. According to source of peragraphs 1 and 2, the troop trains went from Naustrellitz to Luckenwalde on 21 July 1954. As the Ludwigsfelde railroad station is located on the Barlin - Justerbog line north of Luckenwalia, it cannot definitely be interpreted whether the troop train also belonged to the above movement or but. Comment. The troop trains carried alements of the 124th Rv How arty brig. The information indicates that, on 24 May 1954, the first contingents of the brigade returned to their home station from the Altengrabow troop training ground? Comment. The troop train was leaded with shements of the 280d (?) eds How Arts Regt of the 1st Mesh Div. The thoop trada on 23 July 1954 was previously reported by the seme Bource. Comment. the troop train carried elements of the 18th (?) Engr Bn of the 1st Mech Div to the Lieberose troop training grounds.
